Registering in Canvas Learn and Enrolling in a Course

1. After selecting what GeriaLearning Course you would like to participate in, click the green box to register and/or enroll in the course. Note that the yellow box is for returning learners who have already enrolled.

SBIRT+

SBIRT stands for Screening, Brief Intervention and Referral to Treatment. The primary goal of SBIRT is to identify and effectively intervene with those who are at moderate or high risk for psychosocial or health care problems related to their substance use. SBIRT Plus (+) addresses the special needs and characteristics of older adults. In addition, it helps improve the understanding of alcohol and drug use later in life.
